With the purchase of an all-electric vehicle, there may be various state incentives available, including: tax credits/rebates/exemptions, reduced registration fees, parking incentives, reduced utility rates, and other incentives. State governments and utility companies are continually exploring new ways to entice consumers to adopt alternative fuel options, so be sure to check with your local authorities regarding incentives and rebates offered. Additional information can be found [here](#).

About the Company

DSG Global, Inc. is a global technology company with roots in the golf industry specializing in fleet management, mobile touch screen engagement, and electric vehicles. Additional information is available at <http://vantage-tag.com/>.

Safe Harbor for Forward-Looking Statements

This press release contains forward-looking statements. Forward-looking statements in this press release include statements relating to the Company's branding, marketing, sales and other strategic initiatives. Forward-looking statements are inherently subject to risks and uncertainties which could cause actual results to differ materially from those in the forward-looking statements, including, without limitation, the Company's ability to establish and commercialize on its brand awareness, the timing and nature of any capital raising transactions, its ability to offer products and services for use by customers in new markets; its success in rebranding and marketing efforts, the risk of competition, its ability to find, recruit and retain personnel with knowledge and experience in selling products and services in these new markets, its ability to manage growth, and general market, economic and business conditions. Additional factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's more recent Annual Report on Form 10-K for the year ended December 31, 2018, its subsequent quarterly and other reports filed with the Securities and Exchange Commission. Forward-looking statements are made as of the date of this release, and we expressly disclaim any obligation or undertaking to update forward-looking statements.
