

## **DSG Global's New Single Rider Golf Car Orders and Upcoming Installations Should Have Revenue Impact of Over \$15M Annually**

Surrey, British Columbia, Canada, September 1st, 2020 (GLOBE NEWSWIRE) -- DSG Global Inc. (OTCQB: DSGT) ("DSGT"), a technology development company engaged in the design, manufacture, sales and leasing of GPS tracking devices, interfaces for golf and electric vehicles and related support services announced today the completion of an exclusive distribution rights agreement with the manufacturer for the single rider PACER electric golf cart.

The company will begin by delivering two containers (approximately seventy carts) in October with a continuous order flow expected to be placed during the remainder of the year.

All PACER's come equipped with Vantage 4G Tag and the majority will be outfitted with the INFINITY, generating cash flow through the programmatic advertising program.

"Additionally, the company has continued to install new products on various golf courses throughout the world. Vantage Tag will complete its first installation in Japan during September. Installations for thirteen courses for the Infinity, Text and Tag Systems are also currently taking place at other facilities including: two in Virginia, two in Wisconsin, two in California, two in Indiana, one in Massachusetts and four in Spain and Ireland. The upgraded and brand new 4G LTE Tag has also arrived and will be part of all these installations. All courses are finance approved and will also pay service and support fees monthly. This is an exciting time for Vantage Tag Systems," stated Patrick Parenti, Vice President, global sales.

"While many are excited about other aspects of our business, the golf business continues to accelerate. The interest and sales for the company remain at all-time highs. Golf is one of the few athletic endeavors that fully complies with current COVID restrictions and the new functionality of our products are in high demand," stated Bob Silzer, President and CEO DSG Global.
